

OLC 75-0843

14 April 1975

MEMORANDUM FOR: General Counsel

SUBJECT : OLC Draft Letter to GAO

I have examined the draft letter to Comptroller General Staats and find most of it unobjectionable. I have made some editorial changes on page one of the draft and would suggest the ending be changed, perhaps more along the lines of the draft letter to Senator Ribicoff on S. 653.

STATINTL

Office of General Counsel
